TRUST HOSPITAL**

*Center of Excellence for Innovation Research, Trainings & Treatment*

**APPS UK**  
*Advancing health, changing lives*

### **Memorandum of Understanding (MOU)**

Association of Pakistani Physicians and Surgeons of the United Kingdom (APPS UK)

And

Ayesha Bashir Trust Hospital, Gujrat, Pakistan

Based upon the mission statements of both ABTH and APPS UK, the MOU stated herein will be entered into with the primary objective of both organizations pooling its efforts for the best possible philanthropic outcomes. Areas covered will consist of, but not be limited to: education; social welfare; medical; philanthropic and other issues and causes to be determined at a later time.

This MOU is designed to broker a partnership between the two organizations for a mutual gain of future benefits. The MOU will provide for collaboration between the two organizations and show a present and future commitment to mutually decided-upon causes.

Signatures on the document provide for the collaboration to begin.
